Ajouter ou Modifier

The wireframe illustrates a mobile application interface for adding or modifying data. It features a dark gray top navigation bar (NavBar) with two white circular icons on the right. Below the NavBar is a light gray sidebar containing four white circular icons. The main content area is white and contains a 'Texte' label. Below this is a dark gray 'Formulaire' container with five white text input fields, each labeled 'Texte', and a white button labeled 'btn' at the bottom.

## Ajout ou Modifier

The wireframe shows a desktop application window titled "Ajout ou Modifier". It features a dark gray sidebar on the left with a "NavBar" at the top. The sidebar contains four menu items: "Utilisateur", "Franchise", "Structure", and "Permission". Each menu item has a corresponding "Ajouter" (Add) button and a "Liste" (List) button below it. The main content area is light gray and contains a "Texte" label at the top. Below this is a dark gray "Formulaire" (Form) box. The form contains four horizontal text input fields, each labeled "Texte", and a single "Texte" label at the bottom right.
